Answer Key & Explanations

Question 1: Correct Answer (C)

Explanation: Fiduciary duties (like loyalty, confidentiality, and obedience) are owed exclusively to the client (the seller). To the customer (the buyer), the broker owes honesty, fairness, and disclosure of material facts.

Question 2: Correct Answer (B)

Explanation: Trade fixtures are items installed by a tenant for business use and remain personal property, meaning they can be removed before the lease expires.

Question 3: Correct Answer (A)

Explanation: Assessed Value = $\$240,000 \times 50\% = \$120,000$. Taxes = $\$120,000 \times 0.025$ (25 mills) = $\$3,000$.

Question 4: Correct Answer (B)

Explanation: A life estate is a freehold estate in land that is limited in duration to the life of the owner or to the life of some other designated person.

Question 5: Correct Answer (B)

Explanation: Under an Exclusive Agency listing, one broker is authorized to act as the exclusive agent, but the seller retains the right to sell the property themselves without paying a commission.

Question 6: Correct Answer (B)

Explanation: Eminent domain is the right of a government or its agent to expropriate private property for public use, with payment of compensation.

Question 7: Correct Answer (A)

Explanation: Market Value = $\text{NOI} / \text{Cap Rate} = \$18,000 / 0.08 = \$225,000$.

Question 8: Correct Answer (B)

Explanation: The Fair Housing Act of 1968 protects buyers and renters from discrimination based on race, color, national origin, religion, sex, familial status, or disability.
