Important Road Signs & Symbols

SOLID RED LIGHT

A red traffic signal light means STOP.

RED ARROW

A red arrow means STOP. Do not turn at a red arrow. Remain stopped until a green traffic signal light or green arrow appears.

FLASHING RED LIGHT

A flashing red signal light means STOP. After stopping, you may go when it is safe.

SOLID YELLOW LIGHT

A solid yellow traffic signal light means CAUTION. The light is about to turn red.

YELLOW ARROW

A yellow arrow means the protected turning time is ending. The signal will change soon.

FLASHING YELLOW LIGHT

A flashing yellow traffic signal light is a warning to **PROCEED WITH CAUTION**. Slow down and be alert. You do not need to stop.

FLASHING YELLOW ARROW

You can turn, but your turn is not protected from other traffic. Proceed to turn left after yielding to oncoming traffic and proceed with caution.

DON'T WALK OR RAISED HAND

You may not cross the street.

DIAGONAL CROSSING

These are crisscross and diagonal crosswalks that allow pedestrians to cross the intersection in any direction at the same time. Cross only when the walk signal allows it.

STOP SIGN

Requires drivers to come to a complete stop at the intersection and yield to other traffic or pedestrians before proceeding.

RED YIELD SIGN

Slow down and be ready to stop to let any vehicle, bicyclist, or pedestrian pass before you proceed.

RED AND WHITE REGULATORY SIGN

DO NOT ENTER means do not enter the road or ramp where the sign is posted.

WRONG WAY SIGN

If you enter a roadway against traffic, DO NOT ENTER and WRONG WAY signs may be posted. When it is safe, back out or turn around.

RED CIRCLE WITH A LINE THROUGH IT

The picture inside the circle shows what you cannot do and may be shown with words.

YELLOW & BLACK CIRCULAR OR X-SHAPED SIGN

You are approaching a railroad crossing. Look, listen, slow down, and prepare to stop. Let any trains pass before you proceed.

BLUE AND WHITE SIGN

Railroad crossings have a blue and white sign to tell you what to do if there is an emergency on or near the tracks, or if your vehicle has stalled on the tracks.

5-SIDED SIGN

You are near a school. Drive slowly and stop for children in the crosswalk.

NO U-TURN

Prohibits drivers from making a U-shaped turn at the intersection or roadway to reverse direction.

NO LEFT TURN

Prohibits drivers from making a left turn at the intersection.

NO RIGHT TURN

Prohibits drivers from making a right turn at the intersection.

DEER CROSSING

Warns drivers that deers may be crossing on the street.

NO PARKING ANY TIME

NO PARKING ANY TIME: Prohibits parking at any time in the area where the sign is posted.

NO TURNS

Prohibits all turns (left and right) at the intersection or roadway.

LEFT TURN YIELD ON GREEN

Drivers making a left turn on a green light must yield to oncoming traffic or pedestrians.

DO NOT PASS

Prohibits overtaking or passing other vehicles on the road.

ONE WAY

Indicates traffic flows in only one direction on the road.

Indicates that vehicles must turn left and no other movements (e.g., straight or right) are allowed at the intersection.

LEFT AND U-TURN

Indicates vehicle can turn either left or take a U-turn from this lane at the intersection

DO NOT BLOCK INTERSECTION

Prohibits stopping or standing in the intersection, keeping it clear for traffic.

SLOWER TRAFFIC KEEP RIGHT

Directs slower-moving vehicles to stay in the right lane.

KEEP RIGHT

Instructs drivers to stay to the right of a median, obstacle, or island.

THROUGH TRAFFIC SHOULD MERGE LEFT

Directs through traffic to merge into the left lane.

CONSTRUCTION ZONE

Highway construction and maintenance sign

SHOULDER WORK AHEAD

Warns of construction or maintenance work on the road shoulder.

SLOW MOVING VEHICLE

Indicates a vehicle traveling slower than typical traffic, often with an orange triangle.

SLIPPERY WHEN WET

Warns that the road becomes slippery in wet conditions, increasing skid risk.

MERGING TRAFFIC

Alerts drivers to vehicles entering the main road from a side road or ramp.

DIVIDED HIGHWAY

Indicates the start of a road separated by a median or barrier.

TWO WAY TRAFFIC

Warns of traffic flowing in both directions on an undivided road.

LANE ENDS

Indicates that a lane is ending, requiring drivers to merge.

END DIVIDED HIGHWAY

Marks the end of a median-separated road, transitioning to undivided traffic.

TRAFFIC SIGNAL AHEAD

Warns of an upcoming traffic light.

PEDESTRIAN CROSSING

Alerts drivers to a designated area where pedestrians may cross.

ADDED LANE

Indicates a new lane joining the road without merging required from main traffic.

CROSSROAD

Warns of an intersecting road where other vehicles may cross.

STOP AHEAD

Alerts drivers to an upcoming stop sign.

YIELD AHEAD

Warns drivers of an upcoming yield sign, requiring them to slow down and give way to other traffic or pedestrians.

HILL AHEAD

Sign shows there is a hill ahead

NO PASSING ZONE

Sign shows that passing is not allowed here

WINDING ROAD

Indicates a series of curves or turns ahead.
