☐ NOTICE OF PRIORITY RE-EXAMINATION OF DRIVER (Driver Incapacity)

The driver listed below committed a violation of the *California Vehicle Code* (CVC) §521000 through 23336 and should be re-examined pursuant to CVC §21061. At the time of the violation, the driver exhibited evidence of incapacity which reasonably led me to believe that this person is not capable of operating a motor vehicle without presenting a clear or potential danger, or risk of injury to himself/herself or others. **As required by law, on the date below, I issued a copy of this Notice of Priority Re-examination/Notice of Suspension for Non-Compliance to the driver listed below.**

The driver does *not* have to be cited for one of the above CVC sections. Please indicate evidence of the incapacity in the Summary area below. If the driver was involved in a traffic accident, attach a copy of the report. You must give a copy of this form to the driver.

If this form is being issued as a Notice of Priority Re-examination/Notice of Suspension for Non-Compliance, immediately fax the document (if fax available) to the Driver Safety Office nearest the driver's home (see reverse), then mail the original Notice to the same office.

NOTICE OF SUSPENSION FOR NON-COMPLIANCE

INSTRUCTIONS TO DRIVER

If the above box is checked, you must contact the Department of Motor Vehicles (DMV) for a re-examination under CVC §§12818 and 12819. If you do not call or appear within five (5) working days, your privilege to drive in this state will be suspended until you satisfactorily complete a re-examination. SEE IMPORTANT PRIORITY RE-EXAMINATION INFORMATION ON THE REVERSE SIDE OF THIS FORM.

☐ REQUEST FOR REGULAR RE-EXAMINATION OF DRIVER (Officer's Instructions on reverse.)

The driver listed below should be re-examined by DMV, but does not require a Priority Re-examination.

Driver's License Restrictions

DMV places restrictions on a driver's license to ensure a driver is operating a vehicle within their ability. Restrictions may be imposed by DMV or required by law. Restrictions placed on your driving privilege will be reasonable and necessary for your safety and the safety of others. Restrictions and conditions may include:

- Requiring a driver to place special mechanical devices on their vehicle, such as hand controls.
- Limiting when and where a person may drive, such as no night or freeway driving.
- Requiring eyeglasses or corrective contact lenses.
- Requiring additional devices, such as outside mirrors.

NOTE: There are no specific restrictions for seniors. All restrictions are based on conditions, not age.

Any restriction placed on your driver's license is based on the examiner's findings and recommendations.
