

Dear Texas Resident:

Operating a motor vehicle is an important privilege and responsibility for drivers, especially in a state as large as Texas with more than 314,000 miles of public roadways. Tragically, every year in Texas, approximately 3,500 people are killed in traffic crashes and more than 15,000 are seriously injured. Today, more than ever, drivers must avoid distractions in their own vehicle while also staying alert for impaired or unsafe drivers sharing the roadway – failing to do so could have tragic consequences.

The goal of the Texas Department of Public Safety is to provide you with critical safety information about driving in Texas in an effort to keep you, your passengers and other travelers safe on our roadways. Please carefully review and learn the information in this handbook, and always be mindful of the great responsibility that goes with obtaining a driver license and operating a motor vehicle in Texas.

Respectfully,

A handwritten signature in black ink that reads "Freeman F. Martin". The script is fluid and cursive, with the first name and last name clearly legible.

Freeman F. Martin
Colonel
Texas Department of Public Safety
