

Neighborhood Electronic Vehicles and Motor Assisted Scooters

A neighborhood electronic vehicle is defined as a vehicle subject to Federal Motor Safety Standard 500 with a top speed of 35 mph on a paved level surface.

A motor assisted scooter is defined as a self-propelled device with:

1. At least two wheels in contact with the ground
2. A braking system capable of stopping the device under normal operating conditions
3. A gas or electric motor not exceeding 40 cc
4. A deck designed to allow a person to stand or sit while operating the device, and
5. The ability to be propelled by human power alone

Both vehicles may only be operated on a street or highway when the posted speed limit is 45 mph or less for a neighborhood electronic vehicle and 35 mph or less for a motor assisted scooter.

Electronic Personal Assistive Mobility Devices (EPAMD)

EPAMD's, such as a Segway, is defined as a two, non-tandem wheeled device designed for transporting one person that is self-balancing and propelled by an electric propulsion system with an average power of 750 watts or one horsepower.

An EPAMD may be operated on:

1. A sidewalk
2. A path set aside for the exclusive operation of a bicycle
3. On a residential street, road, or public highway with a maximum speed limit of 30 mph only:
 - a. While making a direct crossing of a highway in a marked or unmarked crosswalk
 - b. Where no sidewalk is available, or
 - c. When so directed by a traffic control device or law enforcement officer

When operated on a public roadway, an EPAMD shall be ridden as close as practicable to the right-hand edge.

Special Note:
Counties and municipalities may prohibit the operation of either type of vehicle on any street or highway for safety reasons.

Your Keys to Safe Driving

- Good Vision
- Obey traffic laws
- Proper care of vehicle – Don't depend on yearly inspections; perform regular maintenance as needed
- Courtesy – Safety comes before the right-of-way
- Proper Signaling – Failure to signal is dangerous and inconsiderate
- Fitness to drive – Let someone else drive if you are not physically or mentally alert
